Four Rivers
Special Education District

Student:_____ School/Teacher: _____ Grade: ___ Data Date Range:_____

Directions: Choose at least one intervention in the area of difficulty. Implement a minimum of 3 times per week for 4 weeks. Put a "+" if the trial made a positive impact in the classroom. Put a "-" if there was no change in the classroom.
Email OTTherapy@frsed.org for any further questions.

Strategies for SPACING in writing Amount of space between letters in words, and between words in sentences.	1	2	3	4	5	6	7	8	9	10	11	12
Encourage using a finger's width or popsicle stick as a spacer between words												
Have students write letters inside boxes or on graph paper												
Draw vertical lines on paper for student to writes letters between or turn notebook paper to landscape position												
Use graph paper and use one box as spacer between words												
Prompt the child to use their pinky as a spacing cue, could also trial wikki stix or a piece of spaghetti.
